Subject: Lab Results Status for Famble, Alayna

R4 LIMS recently determined that all lab results have been transmitted for the following projects:

Project Leader	Site	Project No.	Project ID	Project Type	Program	Lab Results Complete
Famble, Alayna	Lake Conestee	20-0337	20-0334	R - Region	SF	09/17/2020

Notes:

Project number links to detailed project/sample/analysis information (on EPA inTRANet).

Lab Results Complete column indicates date by which all results were *initially* transmitted by the Lab
